

Volunteering at Social Cooperative One

WITH: ONE cooperativa sociale

WHERE: Crotone, Italy

WHO: 2 EU residents, aged 18-30

Who we are

The One cooperative aims to contribute to the socio-cultural and economic improvement of the territory in which it operates through various actions: language and job training, innovative workshops for minors, activities to combat educational poverty, territorial promotion, non-hotel accommodation, and the dissemination of a new concept of economy. It invests in young people while also supporting adults.

What we do

MOVE UP

Move UP is a project funded by the European Union – Next Generation EU. Its goal is to combat social isolation and educational poverty in Southern Italy through educational and recreational workshops inside and outside schools, targeting both young people and adults, especially parents, to enhance digital and educational-relational skills.

CASA DI CHIARA HOSTEL

The cooperative is managing the hostel Casa di Chiara in the historical center of Crotona since 2017. Located in a historical building from the 1700s, the hostel is now a place for travelers who want to be more than tourists and wish to be part of the local culture.

RI.PARTI.AMO

RI.PARTI.AMO is a project managed by Noemi Cooperativa Sociale and as a project partner, Cooperativa One offers students workshops in Mathematics applied to everyday life, History through comics, and Robotics/IT, using a practical and engaging approach.

Volunteer activities

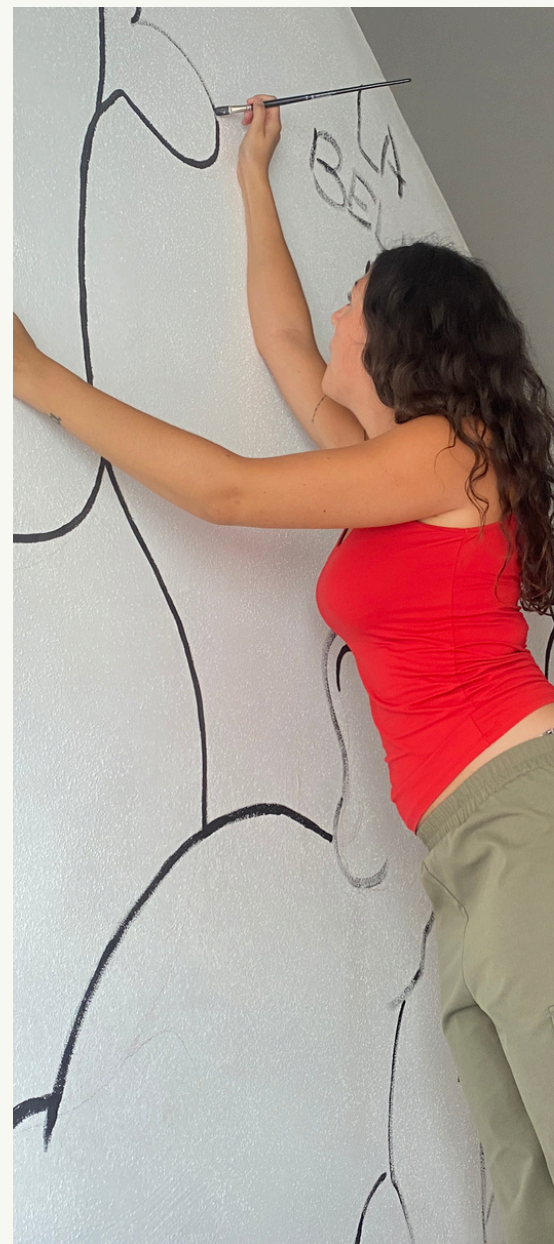

- **Support for activities with young people:**
Assistance in organizing and conducting educational and creative workshops for youth, promoting interactive learning in subjects such as mathematics, history through comics, and robotics/IT.
- **Territorial knowledge and promotion:**
Collaboration in the management of hostels and non-hotel accommodations, guiding groups and school classes on visits to Crotona and its province, helping to highlight the local cultural, historical, and natural heritage.
- **Communication:** Management and updating of the cooperative's social media and websites to promote activities, share experiences, and raise awareness on social and educational issues. Write articles and create videos/photos of their experience as ESC volunteers. Take part in events open to the local community to share with young people their experience of volunteering.

- **Promotion of a culture of legality:**

Organization and participation in educational activities for young people at properties confiscated from organized crime, including guided tours, thematic workshops, and active citizenship projects, with the possibility of overnight stays for an immersive experience.

- **Cleaning and maintenance of properties used for activities:**

Involvement in the upkeep and improvement of spaces used for workshops and educational initiatives, ensuring safe and welcoming environments.

- Supporting daily **activities at the hostel**: the volunteers will support the staff in the daily management of the hostel, in particular with:
 - welcoming visitors and groups
 - managing bookings
 - keeping contact with schools, groups and associations interested in staying at the hostel and with local partners who want to book the space for events
 - maintenance and cleaning of the space
- Support in **food distribution for the people in need**: Participation in the collection, preparation, and distribution of food supplies for people in need, collaborating with local associations and promoting solidarity initiatives in the community.
