City Public Library

What is your Super Power? I am volunteer!

Gdynia, Poland

Description of the organization:

City Public Library in Gdynia consists of 23 branches which are situated in different districts of the city. They promote literacy and cultural activities among all members of the local society in different districts of the city. Each library branch has its own character and different main clients (e.g. youth and children, seniors, grown-ups interested in science, etc.). Most libraries act as cultural centers for the district, organizing workshops, meetings with authors, free foreign language lessons, etc.

Description of the activity:

Volunteer will work in 1 or 2 branches and assist the employees of the library in their daily tasks. Volunteer will do all the typical librarian work with books, work with guests, support readers with facilities, prepare and conduct different activities and workshops.

Who can apply?

- We are looking for a volunteer who is communicative and open for new experiences, creative and inventive. We invite young people, who can contribute to the daily activities and actions taken by the library.
